THE CREST

The Crest of the college is an epitome of all that is noble, lofty and profound. It has three parts.

The upanishadic verse "Tamaso Ma Jyotirgamaye" at the top of the crest is a humble invocation to the Supreme soul to lead us from darkness to light."

At the top right, the TEMPLE of Lord Jagannath stands as the source of harmony and life fostering a spiritual ambience.

At the top left, the TEMPLE of Goddess MAA BALAKUMARI on the top of the hill represents nature and divinity. It also represents the rich historical and cultural heritage of Chikiti.

At the bottom, the LAMP is the eternal symbol of wisdom and at the same time it stands for spreading of illumination and knowledge.

The OPEN BOOK near the LAMP symbolizes the idea of learning and culture.

The Sanskrit, Odia and English scripts inscribed at the top, middle and bottom of the crest represent the Indian, the regional and the international exposure.

ABOUT THE COLLEGE

Chikiti is situated in the South-East part of Ganjam district bordering Andhra Pradesh. The place and people of Chikiti have a significant position in the cultural history of Odisha. Chikiti had taken a special role in formation of the state of Odisha as well as in the National Freedom Movement. This area with a rich cultural heritage was long neglected in the field of higher education. Upto 1980, there was no scope for the educational development of the local people and the people of nearby tribal and border areas.

At this critical juncture, a bold step was taken by Late Radhakanta Das and Sri Radhasyam Patnaik with the active support of Sri Brundaban Sahu to fulfil the long cherished desire of the local elite and the dream of the eminent patriot and freedom fighter Late Dibakar Patnaik. Chikiti Mahavidyalaya got established on 15th August, 1980 to impart higher education to the neglected, poor, needy, tribal and rural people of the area. The college will not forget the financial assistance extended by Dr. Rekha Panda at the time of dire need.

The Institution started functioning initially in the premises of Sri Jagannath Kala Parisad under the guidance of Managing Committee consisting of 15 members and 8 number of staff members who dedicated their free services for the development of the Institution.

Though the Institution was established in the year 1980-81 session, it got affiliation from the Berhampur University for Intermediate Arts (I.A.) from the session 1981-82 under the deemed clause and permanent affiliation from the session 1983-84 for Arts stream. The desire and necessity of the local people could not be fulfilled due to non-availability of Science stream. However, this desire got materialised with the whole hearted support rendered by SEVANIDHI TRUST with the introduction of Science at the

+2 level from the session 1986-87. Subsequently it availed concurrence and affiliation for +3 Science courses from the session 1999-2000.

The Institution got permanent concurrence for Three year Degree Course both in the Science and Arts and Honours facilities in Physics, Chemistry, Mathematics, Botany, Zoology, Geology, Education, IRPM, Political Science, Economics, History, Odia and English.

It is a matter of great pride and glory that in the year 2006-07 in the month of March, the NAAC team visited the Institution and the Institution got grade 'B' level by the Accreditation Council. In order to cope with the emerging trends of globalization, priority was given to Computer education. Accordingly, a new era in the history of the College began with the introduction of IT (Information Technology). The course was introduced in +2 classes (Science and Arts), after getting the recognition from the Govt. of Odisha (D.H.E.) from the session 2007-08. The IT course is a self funding course, for which the students are required to pay an extra fee for the course. In degree level the BCA course was also opened from the session 2008-09 after getting recognition from the Govt. of Odisha (D.H.E.) and affiliation from Berhampur University with the sanctioned strength of 30. The B.C.A. course which is a self-funding course provides computer education in the degree level. Its sanctioned strength increased from 30 to 60 from the academic session 2014-15. The college also got Govt. permanent concurrence for BCA from the academic session 2012-13. The college became a fullfledged Institution by opening Commerce Stream in 2015-16.

The Institution started with eight number of staff members and started functioning under the able stewardship of Late Captain Siba Kumar Panda as its founder Principal. Subsequently it functioned smoothly under the in-charge Principalship of Sri B. K. Padhy, Sri B. Patnaik and Sri K. Rout.

The College came under the purview of Grant-in-aid in the session 1988-89. After becoming full-aided, the College got deputed-regular Principals, Sri C. S. Mahapatra, in the year 1992, Sri P.K. Mishra in the year 1995, Lion T.C. Padhy in the year 1997, Sri Basant Ku. Sahoo in the year 2002, Dr. Lalita Mohan Mahapatra in 2005, Dr. J. M. Mohanty in 2009, Dr. N. M. Padhy in 2010.

The College has a band of dynamic faculty members in different disciplines who have got their Ph.D. and M.Phil. degree and some are still engaged in their respective research activities.

The academic ambience and achievements of the students earn a special name, status and dignity to the college as one of the 'Most Disciplined' colleges in Berhampur University. The present excellence of the College in academic and other co-curricular activities is remarkable on account of the contribution made by the present Principal, staff and students which has made this Alma mater a distinguished 'Temple of Learning'.

The Institution avails different grants from the UGC and Govt. of Odisha for the Library equipment and building. So far, many of the teaching members have received UGC fellowship and minor projects for their advanced studies.

Under the able guidance of revered president of the Governing Body, Smt. Usha Devi, Hon'ble Minister, Women & Child Development, Planning and Co-ordination, Govt. of Odisha and with the dedication of the members of teaching and non-teaching staff, the college now stands out as the most disciplined college of Berhampur University.

The Institution is all set to go ahead with full cooperation, love and sympathy of the local people and is determined to carry forward the torch of learning in this educationally backward area.

EDITORIAL BOARD

VISION AND MISSION OF THE COLLEGE

VISION : The Institution is located in a socially-economically backward area with a teeming population of rural poor and marginalized people for whom higher education is a far reaching dream. Therefore, the vision of the Institution is to spread higher education among the rural youth who cannot afford to study outside. Further it envisions to provide quality education to the students and make them self-reliant and a good human being with a moral leaning.

MISSION : The mission of the institution is :

- ◆ To empower students with relevant knowledge, competence and creativity to face future challenge.
- ◆ To nurture students for their career and character.
- ◆ To infuse discipline, ethical and spiritual values and create interest in community service.
- ◆ To sensitize students on the issues of human rights. Gender disparity, value system, culture, heritage and environment.
- ◆ To generate scientific temper to combat social dogmas, taboos and inhuman practices.
- ◆ To achieve innovation in teaching, learning and research to realize goals of higher education.
- ◆ To inculcate in the students an academic rigor which will inspire to realize their full potential and contribute for a sustainable development of the society.
- ◆ To build up a personality of a conscientious citizen.

The stated Vision and Mission are pursued through curricular, extracurricular, co-curricular, cultural activities, Seminars, Counselling and group discussions. Technical skills are developed by conducting field studies and practical classes and writing skills through different tests and examinations. Self discipline, social and cultural values are inculcated among students through N.S.S., Y.R.C., Sports, games and extension activity programmes.

COLLEGE AUTOMATION

Automation system is the nerve centre of an institution. The system facilitates an automated efficient mechanism for academic management. The system provides an interactive platform for all entities viz. Students, Teachers, Staff, Parents, Alumni, Guests and Management. It is an integrated powerful one point platform that connects all the departments of an institution namely office-establishment, fee counter, library, hostel, academics and examination etc. Faculty staff as well as students can see his/her complete details in just a mouse click without going to various sections and departments. Chikiti Mahavidyalaya has installed Automation System for transparency in administration and academic management. Just click on to www.cmvedu.in.
