## **Examination Procedure for Project and Field Work**

### **Important steps for H.O.D/Internal Examiner /Mentors**

Step-1: The H.O.D. should prepare the name of the internal Examiner of PROJECT/FIELD WORK Examination-21.

Step-2: The internal Examiner shall collect the Projects from office on the same date of submission of project reports submitted by the students.

Step-3: The internal Examiner shall conduct the Viva-voce with the consultation of the Mentors on 05.08.2021 at 11AM.

Step-4: The internal examiner shall evaluate the project/Field work report.

Step-8: The internal examiner shall enter the marks obtained (from Total Mark) by each students of his/her department in the prescribed mark foils.

Step-9: The mark foil may handover to Exam. In charge within two days of examination is completed.

### **Important steps for Examination-in-charge:**

Step-1: The Examination in charge is required to receive the mark foils of all subjects/papers within two days of completion of each examination from the respective internal examiners.

Step-2: The Examination- in-charge and internal examiners should ensure that, marks obtained by the students are entered correctly in the Examination Web Portal as per the date given by the University.
